MDS Shows are pleased to be holding a memory walk as part of the Paws in the Park Show. This is the UK's largest outside dog show for working, trained and pet dogs attracting over 15,000 visitors and 9,000 dogs.

The memory walk will be held on the afternoon of Saturday 11th September and it will be a great way to spend a late afternoon walking in the grounds of the Hop Farm Family Park which is set in over 400 acres, whilst raising funds for the Alzheimer's Society. (Unfortunately the terrain will not be suitable for people in wheelchairs).

**Entry for Walkers:** free entry can be gained after 4pm with a sponsor form or confirmation of memory walk registration. Please enter the showground through the blue security gate (trade/exhibitor gate) where you will be directed to the MDS Show Office for parking and information regarding the starting location of the walk. Anyone already in the showground at the event before 4pm and wanting to take part can also report to the MDS Show Office for the starting location.
